Health and Safety Policy

1. About this policy

- 1.1 This policy sets out our arrangements for ensuring we meet our health and safety obligations to staff and anyone visiting our premises or affected by our work.
- 1.2 The Managing Director has overall responsibility for health and safety and the operation of this policy.
- 1.3 This policy does not form part of any employee's contract of employment and we may amend it at any time. We will continue to review this policy to ensure it is achieving its aims.

2. Your responsibilities

- 2.1 All staff share responsibility for achieving safe working conditions. You must take care of your own health and safety and that of others, observe applicable safety rules and follow instructions for the safe use of equipment.
- 2.2 You should report any health and safety concerns immediately to the Managing Director.
- 2.3 You must cooperate with the company on health and safety matters, including the investigation of any incident.
- 2.4 Failure to comply with this policy may be treated as misconduct and dealt with under our Disciplinary Procedure.

3. Information and consultation

We will inform and consult directly with all staff regarding health and safety matters.

4. Training

- 4.1 We will ensure that you are given adequate training and supervision to perform your work competently and safely.
- 4.2 Staff will be given a health and safety induction and provided with appropriate safety training.

5. Equipment

You must use equipment in accordance with any instructions given to you. Any equipment fault or damage must immediately be reported to your Principal Consultant. Do not attempt to repair equipment unless trained to do so.

6. Accidents and first aid

- 6.1 Details of first aid facilities and the names of trained first aiders are displayed on the notice boards. If you would like further information on who the trained individuals are, please contact HR.
- 6.2 All accidents and injuries at work, however minor, should be reported to the Office Manager and recorded in the Accident Book which is kept at the Company's premises.

7. Fire safety

- 7.1 All staff should familiarise themselves with the fire safety instructions, which are displayed on notice boards and near fire exits in the workplace.
- 7.2 If you hear a fire alarm, leave the building immediately by the nearest fire exit and go to the fire assembly point.
- 7.3 Fire drills will be held at least every 12 months and must be taken seriously. We also carry out regular fire risk assessments and regular checks of fire extinguishers, fire alarms, escape routes and emergency lighting.

8. **Risk assessments and measures to control risk**

We carry out general workplace risk assessments periodically. The purpose is to assess the risks to health and safety of employees, visitors and other third parties as a result of our activities, and to identify any measures that need to be taken to control those risks.

9. **Computers and display screen equipment**

- 9.1 If you use a computer screen or other display screen equipment (DSE) as a significant part of your work, you are entitled to a workstation assessment and regular eyesight tests by an optician at our expense.
- 9.2 Further information on workstation assessments, eye tests and the use of DSE can be obtained from the Company Secretary.
